Treasure Chest The ABC Center and Beyond Suggested Materials for the ABC Center

When teachers have an ABC center in their classrooms, they are more purposeful and intentional about putting out alphabet games and activities. In a classroom with an ABC center, children have more opportunities to interact with the alphabet throughout the day.

You might want to consider including the following materials in your ABC center:

- Magnifying glass
- Pointers
- Unusual glasses
- Magnetic letters and boards
- Tactile letters
- Name books
